EXPERIENCE

Waiter (Part-Time)

Masterfork, Ovar. | Dec 2023 - Now

- In 2023, I started working for this company in the restaurant sector, since I started my BSc.
- I have the opportunity to provide services to some great restaurants, some of them nationally renowned.

Waiter / Bartender (Part-Time)

37 na praia, Espinho. | Summer 2022 & Summer 2023

- During my high school summer vacation I worked at a beach bar where I started Networking and interacting with clients.

PROJECTS

Oxalá Menu

Next.js, TypeScript, Sanity CMS

- Created a dynamic digital menu for the restaurant Oxalá.
- Built a user-friendly interface that allows for quick navigation and manage through categories and items.
- Used a component-based architecture to ensure modularity and facilitate future menu data updates.
- Emphasized aesthetics and mobile design for real-world use in the restaurant.

Masterfork Website

Next.js, Node.js, Express & PostgreSQL

- Developed a modern and responsive website for Masterfork, promoting their services and craft beer brand - Masterbeer.
- Implemented reusable user interface components and clean layouts to improve readability and user experience.
- Integrated backend data to dynamically load menu and content, improving maintainability and reducing manual updates.
